## General Conditions of Contract

### 1. Definitions

1. The following terms shall be interpreted as indicated:
  - 1.1 “Closing time” means the date and hour specified in the bidding documents for the receipt of bids.
  - 1.2 “Contract” means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
  - 1.3 “Contract price” means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
  - 1.4 “Corrupt practice” means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
  - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
  - 1.6 “Country of origin” means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
  - 1.7 “Day” means calendar day.
  - 1.8 “Delivery” means delivery in compliance of the conditions of the contract or order.
  - 1.9 “Delivery ex stock” means immediate delivery directly from stock actually on hand.
  - 1.10 “Delivery into consignees store or to his site” means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
  - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
  - 1.12 ”Force majeure” means an event beyond the control of the supplier and not involving the supplier’s fault or negligence and not foreseeable.

Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

- 1.13 “Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 “GCC” means the General Conditions of Contract.
- 1.15 “Goods” means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 “Imported content” means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 “Local content” means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 “Manufacture” means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 “Order” means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 “Project site,” where applicable, means the place indicated in bidding documents.
- 1.21 “Purchaser” means the organization purchasing the goods.
- 1.22 “Republic” means the Republic of South Africa.
- 1.23 “SCC” means the Special Conditions of Contract.
- 1.24 “Services” means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.

- 2. Application**
- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.
- 3. General**
- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from [www.treasury.gov.za](http://www.treasury.gov.za)
- 4. Standards**
- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.
- 5. Use of contract documents and information; inspection.**
- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.
- 6. Patent rights**
- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
- 7. Performance security**
- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
  - (b) a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

**8. Inspections,  
tests and  
analyses**

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with

supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

**9. Packing**

9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

**10. Delivery and documents**

10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.

10.2 Documents to be submitted by the supplier are specified in SCC.

**11. Insurance**

11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

**12. Transportation**

12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

**13. Incidental services**

13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
- (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
- (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and

- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

#### **14. Spare parts**

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
  - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
  - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

#### **15. Warranty**

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

- 16. Payment**
- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.
- 17. Prices**
- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.
- 18. Contract amendments**
- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.
- 19. Assignment**
- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.
- 20. Subcontracts**
- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.
- 21. Delays in the supplier's performance**
- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

## **22. Penalties**

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

## **23. Termination for default**

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard

the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

**24. Anti-dumping and countervailing duties and rights**

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him

**25. Force Majeure**

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security,

damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

**26. Termination for insolvency**

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

**27. Settlement of Disputes**

27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.

27.5 Notwithstanding any reference to mediation and/or court proceedings herein,

(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier.

**28. Limitation of liability**

28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

- (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.
- 29. Governing language** 29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.
- 30. Applicable law** 30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.
- 31. Notices** 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
- 31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.
- 32. Taxes and duties** 32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.
- 33. National Industrial Participation Programme (NIP)** 33.1 The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.

The Film and Publication Board (FPB) is a state entity established in terms of the Films and Publications Act, 1996 (Act No. 65 of 1996), as amended (FP Act), whose main objective is to regulate, both on physical and online platforms, the creation, possession and distribution of films, games and certain publications. Such regulation is amongst others in order to protect children from disturbing and harmful content and to provide content information to adults that will enable them to make informed reading, viewing and gaming choices for both themselves and children in their care.

The FPB's current Cape Town office, located at 9 Long Building on Long street in Cape town, have been leased. This lease agreement is coming to an end on 28 February 2024. The FPB is seeking alternative office accommodation to house its Cape Town office from the period 01 March 2024.

### **1. KEY INFORMATION**

1.1. The proposed building must:

- 1.1.1. Be easily accessible to the public and preferably be within 5 kilometers from public transport (e.g. road and rail public transport).
- 1.1.2. Be located in close proximity to government departments and/or entities, retail shops, restaurants, banking facilities, public parking facilities, schools/day-care, gym facilities and other commercial nodes.
- 1.1.3. Comprise of one (1) stand-alone building or multi tenanted building to house all the FPB's requirements with up to 6 employees (see attached Annexure A).
- 1.1.4. Include a ground floor. If a multifloored building is proposed, all floors must have wheelchair access.
- 1.1.5. Be located within the Cape Town area.
- 1.1.6. Be an A-Grade building of not more than 30 years old and proof must be provided by bidder. Building construction certificate of completion must be provided as proof.

- 1.2. The FPB's current premises are located at 3rd Floor, 9 Long building, Long street, Cape town. The prospective bidders are advised to make reference to Needs Analysis attached which sets out FPB's current staff complement and office/facilities requirements.
- 1.3. The duration of the lease will be 5 years with the option to renew if needed.
- 1.4. Prospective bidders are invited to provide comprehensive information on an existing building that can be refurbished to suit the FPB's requirements. The proposed building must be ready for occupation on 1 March 2024, after FPB's fit-outs and installations.
- 1.5. Prospective bidders must be prepared to provide a complete office accommodation solution, including fit-out of the premises (turnkey solution) as per the FPB's specific requirements (designs & specifications). This turnkey solution should take into consideration the stipulated occupation date.
- 1.6. Prospective bidders must indicate the time frame required to refurbish the building with beneficial occupation date as well indicative rentals.
- 1.7. Prospective bidder will be responsible for publishing the construction works with the Construction Industry Development Board (CIDB) for any/all refurbishments and/or office fit outs to be made as part of the bid at its own cost.
- 1.8. The location must be clearly visible from traffic routes and must have unimpeded entrance to the public area from street level.
- 1.9. The proposed building must have appropriate security features such as physical guarding, armed response with burglar alarm, physical and electronic access control, CCTV coverage of the building, if the building is part of an office park then perimeter fencing should be available. The bidder must provide full details of such security features (e.g. make & model where applicable).
- 1.10. Substitute/sub-standard materials and finishes may not be used to price this bid. The overall aspects of the proposed building will be assessed with the physical

evaluation of the premises. This physical evaluation is an integral part of the bid process.

1.11. Maintenance on the exterior of the building, fire detection, fire extinguishers, and Heating and ventilation systems remains the responsibility of the bidder. The potential bidder may enter into a maintenance contract with the FPB for the maintenance and repair on the interior of the building (e.g. electrical, plumbing, faulty lighting, carpentry, handyman services etc., including supply and installation), as well as installed equipment on an "as and when required" basis, at prevailing market rates.

1.12. Prospective bidders must submit separate bid responses for each premises offered/proposed, should more than one premises be offered for consideration.

## **2. BENEFICIAL OCCUPATION**

2.1. For purposes of this bid, beneficial occupation means a rent-free period provided by the landlord, in order to give FPB time to do fit outs and installations and ready the premises before moving in.

2.2. The premises must be available for **beneficial occupation immediately after award of the bid to accommodate the duration required** for fit-outs and installations, for a period of outlined in the turnkey solution by the bidder.

2.3. The **lease commencement date is 01 March 2024** when the FPB should move into the building after the beneficial occupation period where all fit outs would have been completed.

## **3. ACCOMMODATION NORMS**

### **3.1 PROPERTY**

**3.1.1. Type of Premises:** - The premises should be:

3.1.1.1. Green certified by the Green Building Council of South Africa;  
, well secured, with up-to-date security facilities/technology;

3.1.1.2. Suitable for typical office accommodation.

**3.1.2. Broadband Infrastructure:** - The building must have:

:

- High-speed Fiber to Business infrastructure should be available, FPB is currently contracted to MTN to deliver 30mbps line speeds
- Building must have clear Fiber Routes from the Street to the server Room, and sufficient manholes inside the yard for easy fiber installation (that's if MTN infrastructure is not yet in the building ) as well as
- Fiber Routes should have dedicated Termination Points i.e., Buddy Boxes that are secured inside the Building with a key.
- Building must have a Clear Line of Site to MTN Towers for Microwave Connection.
- Clear Cable routes should be available from the Microwave to the server through Cable Trays that are independent of other Cables like Power etc

**3.1.3. Property/Building:** - The property offered should be able to provide a total lettable area of at least **224m<sup>2</sup>(assignable and non-assignable space as per annexure A attached)** of office space for lease purposes, preferably closer to the ground floor as net usable area. The proposed office space must be measured according to the latest South African Property Owners Association's (SAPOA) method for measuring floor areas in commercial buildings.

**3.1.4. Space Planner & Interior Designer/Decorator:** - The bidder is requested to avail a space planner and interior designer/decorator to assist the FPB with office layout planning and execution the cost of which are to be included in the bid.

The Space planner must provide at least three (3) office layout mock ups on printed CAD drawing on the building to cater for the FPB's space needs. The quotation for office installations based on the three proposals must be included in the proposal.

## **3.2 THE BUILDING**

3.2.1. The building shall comply with local municipal by-laws, National Building Regulations and Building Standards Act, 1977; the South African National Standards (SANS), Occupational Health & Safety Act, 1993; and any other relevant legislation/regulations as applicable.

3.2.2. The building design should address lighting, indoor environmental pollutants, comfort factor/ergonomics, fire detection/prevention, fibre optic and associated connectivity requirements as well as mitigation of noise levels to ensure a working environment that increases productivity and reduces the occurrence of sick building

syndrome. The FPB may make a request to take the identified building “as is” if it fits FPB’s space planning requirements and also to save time & costs. **Qualifying bidders may be requested to make presentations to the FPB on the proposed building.** Additionally, the bidder may be required to make the building available for site visit/inspection as may be deemed necessary by the FPB.

### **3.2.1. PARKING**

3.2.1.1. A minimum of 10 covered parking bays (which includes 1 covered parking for persons with disabilities) must be made available for exclusive use of official vehicles, staff and visitors at the premises.

3.2.1.2. The parking bays provided shall be made available to the FPB on a 24-hour basis, daily, in a safe and secure environment.

3.2.1.3. If parking bays are not inside a sheltered area then the bidder should provide a rate for covered parking and for open parking to enable the FPB to choose.

## **4. ACCOMMODATION STANDARDS**

The proposed building must provide for the following, as prescribed by the National Building Regulations:

- 4.1. Adequate (HVAC) Heating, Ventilation and Air-Conditioning;
- 4.2. Implementation of smoking by-laws;
- 4.3. Toilet Facilities;
- 4.4. Water Supply;
- 4.5. Electrical Supply;
- 4.6. Fire Risk management;
- 4.7. Emergency evacuations;
- 4.8. Standby power supply;
- 4.9. Acoustics and noise standards;
- 4.10. Vertical movement;
- 4.11. Security;
- 4.12. The building must be declared gun-free;
- 4.13. Accessibility to the building (including for people with disabilities and adherence to OHS standards);
- 4.14. Parking facilities;

- 4.15. CAD<sup>1</sup> drawings or equivalent of the existing premise;
- 4.16. Full compliance certification must be supplied upon final works completion;
- 4.17. Allow the FPB to put up signage in strategic spots within or around the building to make the FPB visible to the public;
- 4.18. Rental, operating and parking costs should be market related; and
- 4.19. The term of the lease should be 5 years with an option for first right of refusal to renew.

## 5. IT INFRASTRUCTURE

- 5.1. The building / office park should have an IT infrastructure, allowing tenants to utilise data/voice with an open access fiber-optic network.
- 5.2. The Building must have a dedicated server room that is fitted with a dry fire suppression system and fire alarm.
- 5.3 **Premise of Sever Room:** If the server room is set up within same building where FPB employees will be based, it should be at least in its own fire protection area. This is just to minimize the extend of damage or loss that could arise from the environment.  
Server Room must be on the ground Floor.
- 5.4. **Power Supply:** the server room must have adapted circuits. More points if it is connected to its own circuit, separate from other systems. Otherwise socket strips with voltage filters should be used. If the power fails, ensure an uninterruptible power supply (UPS).  
The Server Room should be connected to a UPS which ensures continued power supply until an emergency power generator/alternative power supply takes over in an emergency.  
Computer equipment and HVAC should have separate power panels.
- 5.5. **Raised Floor System:** The server room must have an effective raised access floor system. To enable cabling, pipework, electrical wiring, data and telecoms wiring, security wiring and HVAC/air conditioning system,
- 5.6. **Heat, Fire, Flame:** The Server Room should not have windows.

---

<sup>1</sup> CAD drawings refers to computer-aided design of 3D or 2D building drawings, showing overhead views of building floor plans and outdoor landscapes

The server room must be protected from heat, fire and flame. Installed air conditioning systems, smoke detectors and fire alarm systems. fire extinguisher should be available.

Server room should contain fire, smoke, water and humidity monitors.

Powder fire extinguisher.

- 5.7. **Protection Against Burglaries:** entry and entry options into the server room should be secured so that they can withstand more time-intensive break-in methods. If windows can be reached from the public space, they must e.g. secured by grids, locks, safety glass. Hatches, light wells and similar parts of the building can also provide access and must be secured accordingly.

Access Control by means of Biometric devices.

- 5.8. **Cable Trays:** Server Room Must have dedicated cable trays for Data Cables and Power.

- 5.9. **Cooling System:** Server Room should have underfloor cooling; Use cooling equipment with variable speed fans; and HVAC/air conditioning system.

## **6. HEATING, VENTILATION AND AIR CONDITIONING**

6.1. The ventilation of the building must be in accordance with the Occupational Health and Safety Act, 1993 (Act 85 of 1993). The building should be fully air-conditioned, with all maintenance, repairs and replacements undertaken by the bidder. The ambient temperature required will be 22 degrees Celsius (with a variance of 8 degrees Celsius up or 6 degrees Celsius down). A Mechanical Engineer's assessment report on the condition of the air-conditioning installed in the building may be requested at the bidder's cost. The air-conditioning installation / units should at least have a remaining life expectancy of the lease term.

6.2. In this regard, provisioning must be made for the air-conditioning system to:

- be connected to a programmable HVAC building management system (BMS);
- be on a timer for different building zones;
- be able to control temperatures for each section of the building and different office spaces;
- comply with all SANS and South African Bureau of Standards (SABS) codes and Health and Safety codes;

- be energy efficient (in terms of design and functionality) with heat capture; and be of a low noise and low-vibration type.

## 7. ABLUTION FACILITIES

7.1. The bidder shall hand over modern, fully functional ablution facilities which are in good condition at beneficial occupation. The FPB will require the bidder to provide modern, hygiene equipment in instances where ablution facilities are shared with other tenants. The following norm shall be applied:

### Sanitary Fixtures for Buildings (SANS 10400-1990)

	Number of sanitary fixtures to be installed relative to the population				
For a population of up to:	Males			Females	
	WC <sup>2</sup>	Urinals	Washbasins	WC	Washbasins
≤ 8	1	1	1	2	1
≤20	1	2	2	3	2
≤40	2	3	3	5	3
≤60	3	4	4	6	4
≤80	4	6	5	9	5

≤140	5	10	7	15	8
≤180	5	11	8	16	8
>180	For a population in excess of 180 add 1 WC pan, 1 urinal & 1 wash basin for every 50 persons			For a population in excess of 180 add 1 WC pan for every 50 persons	For a population in excess of 180 add 1 washbasin for every 50 persons

<sup>2</sup> WC: a water closet/bathroom

7.2. The FPB may, under a separate contract, install additional sanitation equipment as needed after taking occupation.

## **8. PERSONS WITH DISABILITIES**

Toilet facilities for persons with disabilities (Clients and Staff) have to be provided according to National Building Regulations, SANS 10400.

## **9. WATER SUPPLY**

9.1. The municipal water supply where applicable shall be metered separately for the FPB.

9.2. The FPB requires a water pressure of at least 4 Bar, should 4 Bars not be available, FPB requires the bidder to provide water equipment(s) at own cost to achieve the desired water pressure.

9.3. The FPB will require standby water tanks with a capacity of 20 000 or more liters, with fully automated booster pumps or equivalent, to provide continuous water supply to FPB's premises, at the bidder's cost. This provision aims to ensure continued water supply to the office for at least a period of 2 days in the event of water shortages from the municipality.

## **10. ELECTRICAL SUPPLY**

10.1. The power supply where applicable shall be metered separately and power factor correction and Auto Vault Regulation (AVR) equipment shall be installed. The installation is to comply with all relevant regulations and by-laws. Sufficient power supply is to be provided to meet demand at peak times in excess of up to 20%<sup>3</sup> of normal use. It must be taken into account that all FPB staff will be equipped with a computer or laptop.

10.2. All main electrical supply shall be governed with class one and class two lightning surge protectors.

10.3. The building must be have a continuous emergency power supply enough to carry the electrical needs of the office during a power outage(i.e. back up generators/alternative power supply). This must be maintained by the bidder to ensure minimal interruption of electrical service.

---

<sup>3</sup> The electricity distribution box (DB) installed at the proposed building must have sufficient capacity to cater for this requirement

## **11. UPS REQUIREMENTS**

11.1. The FPB requires all electrical feeds to be linked to full Uninterruptible Power Supply (UPS) to ensure that there is no down time on any electrical equipment during power outages.

11.2. The proposed building must be connected to a back up power generator/alternative power supply which is able to carry all the electrical needs of the FPB in the event of a power failure. This alternative source of power should be able to take over from the UPS within 5minutes of a power outage.

## **12. POWER POINTS**

The electrical (or building) design must make provision for power points to be provided as per FPB requirements with the following guidelines:

- Each person will be equipped with at least one single normal power point and one red dedicated power points.
- Each third person will have an additional white power point.
- Single-phase 15 Amp socket outlets in passages and operational areas shall be provided for cleaning and maintenance task and shall be wired separately from the power supply to the main operational areas.
- The minimum distance for the repetition of these power points should not be less than 10m.
- Building's power must be connected to a back up generator.

## **13. LIGHTNING PROTECTION**

The building shall have sufficient lightning/surge protection, which must be inspected regularly to ensure that it is and remain in good working condition, in line with SANS 62305 – All Parts, at the bidder's cost. Proof of installed lightning surge protection must be provided as part of building handover.

## 14. LIGHTING

14.1. All interior lighting shall be designed and installed to conform to SANS 10114-1:2005 Edition 3 or latest approved standards. A professional lighting design engineer shall certify the design and installation at bidder's own cost.

14.2. The lighting design shall take into consideration the type of work that will be performed which includes sorting, filing, data capturing and computer based work areas. Each functional area and/or teams shall have independent control of lighting while emergency lights shall comply with National Building Regulations.

14.3. The provision of automated light switching (occupancy sensors) as first stage energy saving is a requirement for this tender, for both interior and exterior of the building. Proof of such must be provided during the building handover.

## 15. FIRE PROTECTION & RISK MANAGEMENT

Fire control, safety and risk management shall be in full compliance with the National Building Regulations, SANS 10400 as amended. Provide full details of the fire detection/system, including features which includes but not limited to the public address system, warning alarms, make and model. **It will be required that a complete Automatic Sprinkler Inspection Bureau (ASIB) report<sup>4</sup> be submitted, along with all other information regarding Fire Compliance, as part of handover documents for this tender.** The FPB requires that a dry air fire suppression system be installed in the ICT Server room by the time of building occupancy. Provisioning, certification, continuous maintenance of the installations and equipment will be the responsibility of the bidder, for the duration of the lease period.

---

<sup>4</sup> ASIB report refers to an independent and unbiased inspection report for sprinkler protection and fixed fire protection systems maintenance service. The report ensures that all equipment has been designed and installed in accordance with the minimum accepted requirements of internationally recognised standards and criteria and are maintained and inspected according to this.

## **16. VERTICAL MOVEMENTS**

### **16.1. STAIRS**

Non-slippery stairs and accompanying handrails/banisters must be installed in line with National Building Regulations. They should allow free and safe movement of FPB staff and clients from one floor to another. They must have dimensions appropriate to its use, as prescribed by SANS 10400 or latest amendments and must be applied in conjunction with several other standards.

### **16.2. LIFTS, HOISTS & ESCALATORS**

16.2.1. Taking into account rules contained in SANS 10400 4.44 to 4.47, as set out in the SA Standard Code of Practice for the Application of the National Building Regulations, as issued by the South African Bureau of Standards (SABS), it is required that the building offered, if consisting of more than one floor, shall be provided with at least one (1) lift to be utilised as a passenger lift to transport at least eight (8) persons or goods with a minimum payload of 1 000 kg at a given time. The minimum clear entrance to the lift shall be of such dimension that it will be accessible for a wheelchair. The minimum recommended lift width and depth should respectively be 1000 mm and 1500 mm. If the building has a basement, the lift shall also serve that area.

16.2.2. All passenger lifts shall be equipped with voice sensitizers and braille buttons, as required by national elevator codes and recommended for all elevator applications. These features allow employees, visitors and clients access to crucial information in and outside of the elevator for safe use, in line with the EN81-70 standard and related standards, which define lift size, interior accessories and functionality. In addition, the lifts shall be connected to the control room of the service provider, for purposes of continuous communication in the event of lift stoppages.

16.2.3. The breakdown time allowed per lift or hoist per month shall not exceed 6 hours on a monthly basis. The breakdown times shall be recorded, reported and agreed with the FPB before raising the rental invoice. In the event of breakdowns exceeding the allowed breakdown time, the FPB shall be entitled to deduct a penalty equal to the monthly maintenance contract cost from the following month's rental payment.

16.2.4. If the response time for passenger or goods entrapment exceeds sixty (60) minutes, the FPB shall be entitled to deduct a penalty equal to 10% of the monthly maintenance contract cost from the following month's rental payment.

### **16.3. CARRYING CAPACITY OF FLOORS**

The floors should allow a carrying capacity of at least 250kg/m<sup>2</sup> in normal office areas. The bidder shall issue a certificate, during the building handover, signed by an independent professional engineer (registered with Engineering Council of South Africa (ECSA) confirming the carrying capacity of such areas.

### **17. ACOUSTIC AND NOISE**

All outside noises shall be reduced to an acceptable level (between 40 – 60 Decibels) that allows people to perform their functions.

### **18. SECURITY SERVICES**

The proposal should include the bidder's contribution to the physical security requirements of the proposed building, in terms of Minimum Physical Security Standards. The supply of security installations, inside the building will be the sole responsibility of the FPB.

### **19. ACCESSIBILITY TO THE BUILDING**

The building shall accommodate persons with disabilities and comply with the relevant acts, regulations and municipal by-laws.

## **20. RATES**

### **20.1. RATES AND MAINTENANCE**

Rental rates and operational charges shall also include all future maintenance required to keep the building operational and shall be adjusted annually on the **adjustment date**. Rates shall also include but not limited to the maintenance of the exterior of the premises such as:

- 20.1.1. Roofs;
- 20.1.2. HVAC including cleaning the diffusers inside;
- 20.1.3. Lightning protection;
- 20.1.4. Plumbing;
- 20.1.5. Electrical supply, up to DB board;
- 20.1.6. Fire Protection & Detection;
- 20.1.7. Common area electrical reticulation;
- 20.1.8. Grounds and gardens;
- 20.1.9. Storm water and drainage;
- 20.1.10. Parking; and
- 20.1.11. Washing the external windows & facades.
- 20.1.12. Security to be included if applicable
- 20.1.13. Repainting of the building interior and exterior should be accommodated
- 20.1.14. Pest control and routine fumigation services
- 20.1.15. Refuse collection

### **20.2. ADJUSTMENTS**

Unless otherwise indicated, the annual escalation of the rental and operating charges shall not exceed the average escalation rates for similar properties in the similar area, as indicated in the most recent Rode's Report on the SA Property Market, which is published quarterly. The escalations must be market-related.

## **20.3. VARIATIONS**

The proposal must indicate all variations to the escalation rate(s) and a complete list of Allowances must be provided to the FPB.

## **21. INFORMATION REQUIRED**

### **21.1. PROPERTY INFORMATION**

- 21.1.1. Property street address and stand number, as specified in zoning documents;
- 21.1.2. Landlord (lessor) name, address, city, postal code, telephone and fax numbers, and email addresses;
- 21.1.3. Leasing agent, representative and telephone and fax numbers and email addresses;
- 21.1.4. Details of all partners to this offer;
- 21.1.5. Detail of proposed rental options, indicating the sixty (60) months with an option to renew; and
- 21.1.6. The tenant installation allowance provided by the bidder.
- 21.1.7. Bidder must disclose any ongoing legal matters or land claims on the property if any.

### **21.2. LAYOUT DRAWINGS**

21.2.1. The bidder shall provide a detailed layout drawing that includes all areas required for the building to be functional including the usable space listed. (Usable space in terms of South African Property Owners Association (SAPOA))

21.2.2. The layout drawing shall also indicate major vertical penetrations, column spacing and sizes, and any other building elements that may impact on the configuration of workstation and surfaces. The layout drawing shall be provided as hard copies and in a Printed CAD format together with your response to this bid.

22.2.3. The bidder shall also provide the FPB with layout drawings once the premises have been finalised and agreed upon, according to the FPB's requirements, as well as furniture layout drawings once the seating arrangements have been finalised.

### **21.3. BUILDING AREAS**

The bidder shall measure the building space as defined by The South African Property Owners Association Method for measuring floor areas in commercial and industrial buildings, at its own cost. The Gross Building Area (GBA), Rentable and Usable areas must be tabulated, split per floor and certified by a suitably qualified independent professional and the FPB shall have the right to audit the calculations. The certificate shall be on the professional's letterhead and shall include the Usable/Rentable ratio and Gross Building Area.

### **21.4. BUILDING RUBBLE**

21.4.1. Any building rubble resulting from the demolition and building works/refurbishments must be cleared and such materials may not be the cause of inference to the office. The premises must be kept clean by the contractor during the fit-outs and installations, maintenance and/or renovations/refurbishments.

21.4.2. The bidder must ensure that the building proposed has a dedicated waste management area located away for general office use and must generally not be visible to the tenants/visitors.

### **21.5. PROPERTY AREA**

The bidder shall provide the stand numbers with size/s.

### **21.6. PROPERTY/BUILDING INSURANCE**

The bidder shall provide all necessary and valid building insurance information, as part of pre-qualification documents for this tender. The bidder must ensure the building insurance remains valid for the duration of the lease period.

### **21.7. MANUFACTURERS' SPECIFICATIONS**

All materials & equipment will be installed to manufacturer's specifications and relevant SABS & Building regulations specifications.

## **21.8. AVAILABILITY**

21.8.1. Confirmation of when beneficial occupation can take place must be specified in the bid.

21.8.2. Bidders must confirm if the building can be made available for in person viewing and the notice period needed to make the necessary arrangements

## **22. STANDARD SPECIFICATIONS**

### **22.1. SABS SPECIFICATIONS**

The building shall comply with all laws, construction service standards, building regulations, which includes, but is not limited to:

22.1.1. Occupational Health and Safety Act 1993 (Act 85 of 1993);

22.1.2. The latest issue of SABS 0142: "Code of Practice for the Wiring of Premises";

22.1.3. Code of practice – Interior Lighting SABS 0114:1996 - Part I;

22.1.4. The National Building Regulations and Building Standards Acts 1977 (Act 103 of 1977) as amended (SANS 10400);

22.1.5. The Municipal by-laws and any special requirements of the local supply authority;

22.1.6. The local fire regulations; and

22.1.7. Building compliance certificates.

### **23. Mandatory documents**

- a. Zoning certificates to confirm the proposed building is suitable to the needs of the FPB.
- b. Construction certificate of completion to prove the age of the proposed building.
- c. Proof of property ownership by Deeds office.
- d. In the event the bidder is not the owner proof of agreements between the owner(s) and the bidder.
- e. Rates clearance certificate issued by local authority confirming the account status on all municipal rates/levies/tax payments.
- f. Electrical certificate of compliance for the building.
- g. Printed Computer-aided design (CAD) drawings for the proposed building.
- h. Printed CAD drawings of the three-space planner provided proposals with pricings for each proposed layout.
- i. Proof of valid insurance for the proposed building.
- j. Provide at least three (3) reference letters which confirm that the bidder has provided a leasing service to an entity of not less than 100 employees in size.
- k. Confirmation of office location and proximity to public transport (e.g. road and rail public transport).
- l. Confirmation of office location and proximity to government departments and/or entities, retail shops, restaurants, banking facilities, public parking facilities, schools/day-care, gym facilities and other commercial nodes.
- m. Written confirmation by the bidder which confirm that the proposed building has access to fibre optic internet connection and line of sight to the MTN wireless broadband tower.

**Please note that the above-mentioned information is a pre-qualification for this tender (MANDATORY). Failure to submit these documents/information will result in the bidder being disqualified during the pre-screening process.**

### PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

**NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022**

#### 1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

*(delete whichever is not applicable for this tender).*

- a) The applicable preference point system for this tender is the **80/20** preference point system.
- b) The **80/20 preference point system** will be applicable in this tender.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20

<b>Total points for Price and SPECIFIC GOALS</b>	<b>100</b>
--	------------

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

## 2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation.
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

## 3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

### 3.1. POINTS AWARDED FOR PRICE

#### 3.1.1 THE 80/20 POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

**80/20**

$$P_s = 80 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right)$$

Where

$P_s$  = Points scored for price of tender under consideration

Pt = Price of tender under consideration  
Pmin = Price of lowest acceptable tender

### 3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

#### 3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 points is allocated for price on the following basis:

**80/20**

$$P_s = 80 \left( 1 + \frac{P_t - P_{max}}{P_{max}} \right)$$

Where

Ps = Points scored for price of tender under consideration  
Pt = Price of tender under consideration  
Pmax = Price of highest acceptable tender

## 4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

(a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or

(b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

**Table 1: Specific goals for the tender and points claimed are indicated per the table below.**

**(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.**

**Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)**

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
BBBEE Level (3 and lower)	4
